Dear [redacted]

STAT

The History Staff is now at work on an official history of Richard Helms as Director of Central Intelligence.

I would find it very helpful to talk with you about the Helms years. Might it be possible to arrange an interview sometime in the next several weeks?

I should probably add that we have the full cooperation and support of both Mr. Helms and the current DCI in undertaking this history.

I shall telephone you early next week to ascertain whether you feel able to assist us.

Sincerely yours,

*LS*
